

SpaBerry™

SpaBerry is the new home appliance of the 21st Century – It is the ultimate anywhere, anytime, any weather portable spa.

SpaBerry is the luxury you always wanted and now can afford! With incredible massaging jets, a wonderful waterfall, molded drink holders, colorful LED lighting and space for two adults, you will wonder why you waited so long. When space is limited SpaBerry affords you all the health and lifestyle benefits of spa ownership – SpaBerry is the perfect and affordable choice.

Berry™
Pure

easy on your skin
easy on your eyes
easy on your hair
